SUBJECT : The Attached Request for Briefing of
Navy Personnel

1. Mr. Lundahl has been alerted to be prepared to give a briefing to the Navy personnel listed in the attached paper at 10:00 a.m. on Saturday, 12 April 1958.
2. All of these are cleared for TALENT and Special Intelligence, and, according to information provided me by the Navy, also for AQUATONE. I do not know who are cleared for "R".
3. I have passed on to Jack Gibbs in pursuance of Mr. Bissell's instruction that a senior officer of the Project should be on hand to take care of any operational questions which may very well arise. Mr. Bissell may or may not appear for the briefing.
4. I have informed Colonel Gibbs that you would be providing him with any advice bearing on AQUATONE or "R" clearance matters.
